

Mercado Corona, one of South

Orange County's first Latino Grocery stores,

has been serving the community with unique

Latino, Caribbean and Spanish products since

1992. Owned and operated by Teresa Corona

and her family, our goal is to offer our clientele

a little taste of their homeland by providing

products not found in mainstream grocery

stores. Having grown from a small niche grocery

store, Mercado Corona now offers an extensive

product line of hard to find items, a butcher

shop, fresh Mexican & Argentine pastries daily,

dine-in/take-out Mexican food and catering

for any occasion.
